

Camp Green Zone

Summer 2018 Parent Letter

Dear Camp Green Zone Families,

Summer camp is coming up. Here is some information to make your child's week at Camp Green Zone super fun and safe!

Time/Location

Camp starts at 9 am and ends 3:30 pm. Extended morning and afternoon care is available. We are located at 15004 Spring Meadows Drive, Darnestown, MD 20874.

Fashion

Wear your bathing suit under your clothes to camp and wear sturdy shoes for sports and games. When it looks like rain, dress appropriately. Leave technology at home. Change of clothes end of day is optional. Apply bug spray and sunblock before camp. For younger campers, sunblock will be collected first day of session week and held by staff and applied after lunch with parents' permission.

Backpack

Backpack or daypack containing towel, flip flops for pool time, reusable water bottle, and we encourage a waste-free lunch. We are peanut free. If you pack goggles mark them in some way so they are easily recognizable to your child.

Footwear

In the creek campers need closed toed shoes such a Keen's or old sneakers. Crocs, rain boots are not recommended. Put your name on everything!

Contact

Call DSRC main office 301-330-9616 including extended care time. Staff does not carry cell phones, plus the reception is spotty.

If there are any announcements relating to weather, Rosie will email parents before 8am. We are prepared for inclement weather.

Camp Drop-Offs and Pick-Ups

Campers will gather in front of tennis courts on grass in the morning and at dismissal. Please watch your child in parking lot as cars are coming in and out. **Parents and adults dropping off and picking up campers are responsible for their camper(s) in the**

parking lot. Be vigilant about the vehicles around you and stay alert.

Early Pick-ups

If it is necessary to pick up your child at camp, please let Rosie or Nicole know at the beginning of the day so we have them ready at the pavilion.

Ticks, Insect Bites

Camp Green Zone is an outdoor camp. We urge parents to check your camper every night before shower or bath. For more information please visit: <https://www.cdc.gov/ticks/index.html>

What not to bring?

- Nut based lunch – we are peanut free camp
- Tennis rackets (they will be provided)
- Sneakers for tennis. Campers can wear their Keen's with socks
- Technology – we are tech free camp
- Back pack on wheels (light day pack with draw string is recommended)
- Change of clothes. We stay in our suits all day! Lots of water play.
- Bug spray

We are excited for the summer! Any questions, please contact Rosie, camp@dsrclub.com or 240-888-8695.

Rosie and Nicole
