

December 10, 2018

Dear Camp and Tennis Families,

Season's Greetings! We are thrilled to announce a new addition to our Camp Green Zone (CGZ) staff – DSRC Tennis Pro, Teri Boragno. She will be teaching a daily one-hour afternoon tennis clinic that will be incorporated into the CGZ daily schedule. Modeled after the official USPTA teaching method, the one-hour clinic will be inclusive, accessible and super fun for all ages and skill levels. Coach Teri will continue to lead our Junior Tennis Team (JTT) with daily morning practices.

It was a natural fit to have Teri join the CGZ staff. Both of us having education backgrounds and we know the importance of children spending time outdoors, which, studies have shown, provide lasting benefits to both physical and mental health. Our experience also taught us that children learn best and retain information most when they are having FUN!

DSRC, with its 16 acre park like setting, spacious pools and 6 tennis courts provides the recreational environment for us to do what we love to do: working with youth, boosting their self-esteem, reinforcing compassion, kindness and fairness, and providing a community that cares about their well-being.

We look forward to the start of camp and hope your child will join us next summer. Attached is a flyer with some information. Online registration opens up January 1st.

Happy Holidays!

Rosie & Teri
