

## Sunscreen Authorization Form

Camp families,

The Maryland Department of Health and Mental Hygiene has adopted a policy regarding the use of sunscreen at youth camps. Darnestown Swim and Racquet Club abides by all health policies to insure the safety of your campers.

Please read the following regarding sunscreen use and application at Darnestown Swim and Racquet Club.

The authorization statement must be completed and submitted along with sunscreen labeled for your camper (one form and bottle per camper). If you have more than one child who will be sharing sunscreen, please put all children's names on the bottle. These steps must be completed again if the brand of sunscreen changes or if a new bottle is supplied at any time.
